I had the opportunity to coach Grant Haas for multiple years throughout his highly successful football career. Along with tremendous athleticism, Grant offers the leadership qualities that raise the level of any program. He is selfless, places his teammates first, gritty, focuses on the details that make the biggest difference, and his work ethic is unmatched. He is consistently dedicated to his craft and strives to improve both on and off the field. His unmatched attribute is his character as he has not only overcome adversity, but has thrived and demonstrated a strength that is rare. It was truly a pleasure to coach him, I'm thankful for the time we had and greatly look forward to his positive impact in the future!
